## Abstracts

In 2013, hotels accounted for 47% of travel accommodation outlets and 94% of retail value sales. There are approximately 20 new venues that opened across the country in 2013, most of which are independent hotels. According to the trade association (FENAHOVEN), there is still a gap in the supply of luxury rooms in the country as most 5-star and 4-star hotels are booked to capacity with corporate business travellers. The number of hotel rooms increased by 8% to reach 86,000 in 2013.

Euromonitor International's Travel Accommodation in Venezuela report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2009-2013, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2018 illustrate how the market is set to change.
