Abstracts

Costa Rica is largely dependent on tourism and it is a significant contributor to its GDP. However in 2020, due to the impact of COVID-19, It is expected that the number of inbound arrivals will decline by an unprecedented two-thirds. The impact is being felt across all travel operators, including airlines, lodging and travel intermediaries and the government has put some supports in place to help workers and businesses survive through 2020. There was no uplift in international tourism during th...
