## Abstracts

The spread of Coronavirus (COVID-19) had a significant impact on all aspects of the travel and tourism industry in Cyprus in 2020. The number of tourists plummeted as did tourist spending due to travel bans. While borders began to open in the summer for some countries, the key source countries of the UK and Russia were not included due to high rates of the virus there. Efforts by the tourist board to attract tourists from different nationalities and demographics to avoid overreliance on the coun...

Euromonitor International's Travel in Cyprus report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2015-2019, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues.
