## Abstracts

The Kuwait government acted considerably quickly with their response to COVID-19 and in March imposed a lockdown and suspended all air travel, including the transportation of food and medical supplies, alongside the closure of the borders. As more countries across the globe too began imposing travel bans, flights to and from Kuwait were grounded. During this time, many passengers began trying to cancel their bookings, however many companies gave the option to rebook flights for later, as to not...

Euromonitor International's Travel in Kuwait report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2015-2019, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2024 illustrate how the market is set to change.
