Abstracts

The proportion of Peruvian sales within the global travel and tourism industry increased from 0.21% in 2007 to 0.28% in 2012. In order to maintain this positive trend, the Peruvian government and various private sector stakeholders have recently been working together to develop infrastructure such as travel accommodation outlets and so far US\$700 million has been invested. In order to make the country more competitive as a travel and tourism destination, the 18% tax levied on inbound arrivals...
