Abstracts

Travel agencies are suffering from losses stemming from the fall in inbound tourism during the second half of 2013. This was more prevalent among high-income tourists who require special amenities and are considered to be a good source of revenue.

Euromonitor International's Travel Retail in Egypt report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2009-2013, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2018 illustrate how the market is set to change.

Product coverage: Travel Retail Sales by Category, Travel Retail Sales by Channel, Travel Retail Sales by Corporate Business vs Leisure.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
