Abstracts

Compared with the review period's CAGR of 1%, in 2013 travel retail observed a significant current value increase of 9% reaching Mx\$35.0 billion and also a 4% increase in outlets accounting for 6,374 when compared to previous year. This can probably be explained by the increase in promotions and advertising in social networks, social media and mass media.

Euromonitor International's Travel Retail in Mexico report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2009-2013, allowing you to identify the sectors driving growth.
