Abstracts

Members of the Algerian Diaspora and the many Algerians living and working abroad comprised the bulk of inbound arrivals to the country in 2013. These expatriate Algerian citizens take frequent trips home, although they do not spend as much as international tourists do, as they do not require travel accommodation or travel retail services for example. The majority of these expatriates travel to Algeria from Tunisia, France and Saudi Arabia.

Euromonitor International's Travel and Tourism in Algeria report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2009-2013, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2018 illustrate how the market is set to change.
