Abstracts

Despite the global financial crisis which hit many growing economies, and particularly their travel and tourism industries, the strategy chosen by the public-private tourism partnerships in Uzbekistan allowed it to see stunning growth in inbound tourism. Due to the uncertain situation in outbound tourism in European countries, the focus was mainly on growing Asian countries, predominantly China and India. The response was very positive, and these markets are expected to become main source...

Euromonitor International's Travel And Tourism in Uzbekistan report offers a comprehensive guide to the size and shape of the market at a national level.
