Abstracts

Travel and tourism in Monaco recorded healthy growth in 2013, with increases in both arrivals and incoming tourist receipts. Even if the market did not achieve growth as strong as in 2011, which was a record year, not least because of the wedding of Prince Albert II to a former South African Olympic swimmer, 2013 marked another year of recovery following the slump experienced in 2008/9.

Euromonitor International's Travel and Tourism in Monaco report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2009-2013, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2018 illustrate how the market is set to change.
