ID: TEBA60F0E7DEN

Abstracts

Travelex's strategy is to grow its consumer and business focused operations organically and through acquisition where feasible. Its focus will remain on improving its currency services to consumers to ensure easy access to currency at the best possible rates. As the UK economy returns to growth, it is forecast that overseas trade will pick up again, as well as seeing interest rates rise, both trends that will strengthen Travelex's position in the medium-term.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
