Abstracts

Faced with declining direct sales, Trend Products is likely to further actively explore the opportunities offered by internet retailing. In order to compete against store-based and large internet retailers, Trend Products must develop products that are unique to the direct selling channel. The company will further profit from the healthy lifestyles trend by introducing new, innovative products offering specific features for health- and environment-conscious consumers.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
