Abstracts

Buy now, pay later (BNPL) lending has rapidly become one of the more popular lending formats in recent years. Instalment billing is growing, with a variety of formats, players and industries. Payments players have been quick to jump on the bandwagon, but already signs of stress are appearing as BNPL must cope with forces of regulation, consolidation and inflation. This report will explore where BNPL is today, with case studies and a glimpse of the future.

Euromonitor International's Trends and Outlook for BNPL global briefing offers insight into the size and shape of the Consumer Finance market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and offers strategic analysis of key factors influencing the market. Forecasts provide an invaluable perspective on market evolution and the criteria for success. The briefing leverages Euromonitor International's 360-degree coverage of the global payments' landscape including insight on consumer debt.

Product coverage: Consumer Lending, Financial Cards and Payments.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
