Abstracts

UnionPay is the largest card network globally by card payment value and number of total cards in circulation. The card network has been able to benefit from the transition of consumer payments to cards in China due to a monopoly of domestic transactions. The network has increased its international presence in terms of issuing agreements as well as merchant acceptance.

Euromonitor International's UnionPay Co Ltd in Consumer Finance (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Consumer Finance industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects.
