## Abstracts

United has shown positive growth in 2015, partly attributable to reduced oil prices and increased capacity. The airline is determined to improve its global presence and has purchased a stake in Brazil-based Azul airlines, in addition to improving its position in Asia Pacific. That said, intensifying competition at home and abroad, which is based on price competition, issues with GCC carriers, in addition to economic uncertainty internationally continue to create challenges to future growth.

Euromonitor International's United Continental Holdings Inc in Travel (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Travel market. The report examines company shares by region, financial performance, its marketing strategies, challenges from the competition and future prospects.
