ID: U784F9B2FFEEN

Abstracts

The strategic direction of the Spanish company Uriach-Aquilea did not change in 2012. It was still focusing on its expansion at an international level. After creating a joint-venture with a Chinese company under the name Sunlight Pharmaceutical in 2012, the company focused on entering the North American market. In 2012 it received approval from the FDA to commercialise its products in the US.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management.
