## Abstracts

Manufacturing industries have faced declining domestic demand and increasing production costs, pushing back their output and hindering demand for electricity. Industrial production declined in the third and fourth quarters of 2018 compared with the same period in the previous year. The slowdown was driven by a sharp currency depreciation and shrinking domestic consumption. Declining manufacturing activity resulted in lower electricity demand, weighing on the utilities industry's growth.

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Utilities and Recycling market at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change.

**Product coverage:** Collection and Distribution of Water, Electricity, Manufacture and Distribution of Gas, Recycling, Sewage and Sanitation, Steam and Hot Water Supply.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.

## Why buy this report?

Get a detailed picture of the Utilities and Recycling market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems. With offices in London, Chicago, Singapore, Shanghai, Vilnius, Dubai, Cape Town, Santiago, Sydney, Tokyo and Bangalore and a network of over 800 analysts worldwide, Euromonitor International has a unique capability to develop reliable information resources to help drive informed strategic planning.
