Abstracts

As Valio – Vache Bleue SA enjoys strong brand acceptance in Belgium, the company is expected to further develop its range of products. As healthier eating patterns are expected to continue, as well as a rise in consumer demand for products responding to food intolerance, Valio – Vache Bleue SA should benefit from these trends. Additionally, product innovation should drive the overall performance of the company.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
