Abstracts

Vapour devices were first launched officially in 2014, with television advertisements promoting the new brands available in Egypt, with most being available to purchase via internet retailing. There are brands which are sold on the black market, which are more easily found, although these are outside the scope of this report.

Euromonitor International's Vapour Devices in Egypt report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2010-2014, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be the new legislative, distribution or pricing issues. Forecasts to 2019 illustrate how the market is set to change.

Product coverage: Cig-a-likes, Heat-not-burn devices, Tank systems.
