Abstracts

This report summarises findings from the Voice of the Consumer: Digital Survey, which was fielded in March and April 2023. This annual survey of 20,000 consumers explores how new technologies are changing how and where consumers shop. Key topics of exploration include shopper engagement, path to purchase, delivery and fulfilment, and privacy.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
