Abstracts

This report forms part of Euromonitor's Voice of the Industry series and features the results of a survey of professionals working in the Packaged and Fresh Food industries. It examines their opinions regarding short-, medium- and long-term developments and market trends in a post-pandemic world facing strong economic challenges.

Euromonitor International's Voice of the Industry: Food and Nutrition global briefing provides a comprehensive overview of the Snacks market, providing insight on sales and market potential, retail distribution and company and brand shares. Analysis identifies emerging geographies alongside growth opportunities in the most developed, highest value countries. It also offers strategic analysis of the key trends shaping the industry and consumer demand, such as health and wellness, sustainability, the evolution of eating occasions, in addition to ongoing considerations of convenience and value-for-money in the post-pandemic world. Insight into how these trends are shaping demand informs forecasts to 2027, clearly indicating how the market is expected to change.

Product coverage: Confectionery, Ice Cream, Savoury Snacks, Sweet Biscuits, Snack Bars and Fruit Snacks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Snacks market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems.
