Abstracts

Becoming a true omnichannel retailer is necessary in today's digital environment. Euromonitor International conducted an Industry Insights Survey in July 2018 of 525 retail professionals across 84 countries, to understand what stage retailers are at in their omnichannel strategy and what capabilities they plan to invest in.

Euromonitor International's Voice of Industry: Global Omnichannel Investment Priorities global briefing offers an insight into the size and shape of the retailing industry, highlights emerging trends, their effects on retailing in markets around the world, on the development of channels and consumers' shopping patterns. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market – be they the developments of new store types, the importance of non-store retailing, economic/lifestyle influences, private label or pricing issues. Forecasts illustrate how the market is set to change and criteria for success.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
