## Abstracts

This report summarises findings from the Voice of the Industry: Retail survey conducted in July 2023. It offers insights from global retail professionals on their short- and long-term investment priorities, the trends shaping the industry and how they address challenges across different areas. Key topics included the role of post-pandemic stores, digitalisation, cost-of-living's impact, retail media networks, and trends in delivery and fulfilment.

Euromonitor International's Voice of the Industry: Retail global briefing offers an insight into the size and shape of the retailing industry, highlights emerging trends, their effects on retailing in markets around the world, on the development of channels and consumers' shopping patterns. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market – be they the developments of new store types, the importance of non-store retailing, economic/lifestyle influences, private label or pricing issues. Forecasts illustrate how the market is set to change and criteria for success.

Product coverage: Retail E-Commerce, Retail Offline.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
