Abstracts

Walmart is predicted to remain heavily focused on vitamins and dietary supplements, a category in which it is the clear leader. However, as the company has no plans to significantly expand its OTC operations or enter sports nutrition, it is not expected to achieve the leading position in consumer health by the end of the forecast period.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management and Wellbeing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
