Abstracts

Wargaming.net is expected to continue to offer impressive innovation in the forecast period. The company notably launched Master of Orion: Conquer the Stars in February 2016, with this being an innovative reboot of the Atari game. The game is set in outer space and involves players using diplomacy, battle and technological developments to gain control of the galaxy. The game also features an impressive range of leading voice actors, notably including Star Wars' Mark Hamill.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
