## Abstracts

Waterfront Philippines is expected to continuously upgrade its facilities to allow it to cope with the heightened competition as new luxury hotels are being established in Metro Manila. In order to capture a good mix of business and leisure tourists, it will ensure that its rooms are of the right combination of suites and standard rooms. The company is also expected to continually develop the skills of its staff to improve its service standards and assure the loyalty of its patrons.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
