Abstracts

Wehkamp is one of the most prominent apparel and footwear internet retailers in the Netherlands, but it is seeing competition from a growing number of brands and companies which are opening their own online stores. Wehkamp is trying to combat this by offering a large range of branded items, and by continuously adding to and renewing its product ranges.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
