Abstracts

Asia Pacific witnessed the fastest global growth in weight management and wellbeing over 2014-2019, registering a 5% CAGR. Factors such as rising awareness of the health risks of obesity and healthy living trends generated growth opportunities for manufacturers. Although the market is mainly controlled by direct selling companies, store-based brands have seen healthy growth in supplement nutrition drinks and meal replacement in markets like China, Vietnam, India and Thailand.

Euromonitor International's Weight Management and Wellbeing in Asia Pacific global briefing examines the size, growth trends and potential opportunities in the Consumer Health market. The strategic analyses include assessing the impacts of changing regulations, research breakthroughs and public health concerns on both the market and leading companies. Consumer attitudes towards the products and their personal healthcare needs are also explored.

Product coverage: Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management and Wellbeing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
