Abstracts

In Pakistan, the messaging around weight management and wellbeing focuses on overall health and wellness. While players also target overweight and obese consumers, many leading competitors focus their messaging on overall health, rather than just highlighting weight loss. The offerings continue to be mainly weight loss supplements, with some value sales also for supplement nutrition drinks.

Euromonitor International's Weight Management and Wellbeing in Pakistan report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth. Forecasts to 2027 illustrate how the market is set to change.

Product coverage: Meal Replacement, OTC Obesity, Slimming Teas, Supplement Nutrition Drinks, Weight Loss Supplements.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
