Abstracts

The broad trend around healthy living has coincided with public health agencies' efforts to face the obesity epidemic in Latin America, slowly increasing awareness of the need for change. Weight management and wellbeing products are favoured by this trend and will continue to see increasing demand as consumers perceive them as a tool to support healthy weight goals and prevent obesity.

Euromonitor International's Weight Management and Wellbeing (WMW) in Latin America global briefing examines the size, growth trends and potential opportunities in the Consumer Health market. The strategic analyses include assessing the impacts of changing regulations, research breakthroughs and public health concerns on both the market and leading companies. Consumer attitudes towards the products and their personal healthcare needs are also explored.

Product coverage: Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management and Wellbeing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
