Abstracts

The habits, preferences and attitudes of global consumers directly shape their goals and priorities and have an enormous impact on the products and services they decide to buy and use in their everyday lives. Understanding trends in consumer lifestyles is essential for companies as they shape their product development, marketing and long term strategies

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
