## Abstracts

Due to elevated inflation and a dismal economic outlook, people have been looking to save money and have been more cautious when it comes to spending on womenswear in 2023. Although the Vietnamese government temporarily reduced the VAT rate from 10% to 8% in July 2023 (until the end of the year) to assist businesses and to support consumer spending this has not had a significant impact on the growth of womenswear in 2023 with consumers remaining very price sensitive. Price rises combined with a...
