Abstracts

The sports industry continues its post-pandemic recovery in 2024, with strong attendances and significant commercial activity, especially with brands from emerging industries. Fan engagement and exposure growth remain the main goals in the industry, while the main challenge is increasingly attracting and retaining the attention of younger consumers.

Euromonitor International's World Market for Professional Sports Global report is designed for stakeholders across the spectrum of professional sports. It provides insights into sports fanbases (current year and five-year historic review period) such as attendance and ticketing statistics, alongside engagement rates across a range of social media platforms for leagues, teams, events, and athletes. These insights are underpinned by commercial partnership data (sponsors, suppliers, broadcasters and more) across key markets, providing stakeholders a comprehensive understanding of commercial trends within the sports industry.

Product coverage: American Football, Australian Football, Baseball, Basketball, Boxing, Cricket / T20, Esports, Football / Soccer, Golf, Ice Hockey, MMA, Motorsport, Rugby League, Rugby Union, Tennis.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
