## Abstracts

Wound care is a very mature category in the Dominican Republic, with little innovation or new product launches to spark consumer interest in recent years. The category has consequently seen little in terms of growth given the very high level of penetration of these products among the consumer base, especially in sticking plasters/adhesive bandages, which is by far the largest category in 2023.

Euromonitor International's Wound Care in Dominican Republic report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth. Forecasts to 2027 illustrate how the market is set to change.

Product coverage: First Aid Kits, Gauze, Tape and Other Wound Care, Sticking Plasters/Adhesive Bandages.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
