Abstracts

Wound care is set to see moderate growth in current value and retail volume terms in 2023. Sales are benefiting from Italian consumers returning to their old pre-pandemic lifestyles with there being a growing desire to spend time outside pursuing more active lifestyles, practising sports and travelling all of which has increased the risk of incurring minor injuries requiring the use of wound care. With the WHO declaring the pandemic to be over in early 2023 COVID-19 is no longer a concern for mo...

Euromonitor International's Wound Care in Italy report offers a comprehensive guide to the size and shape of the market at a national level.
