Abstracts

Wound care sales have gained momentum in 2023 amid a return to travel and tourism. People are more comfortable with travelling following the COVID-19 pandemic and have resumed taking vacations and excursions. Moreover, there has been a reduction in stress levels related to the economy and the cost of living compared to 2022, with consumers more willing to spend on wound care in 2023. Tourists coming into the country are also purchasing more wound care products, although mainly sticking plasters/...
