## **Abstracts**

Sales of writing instruments saw an improved performance in constant value terms in 2023, when compared to the previous year. This was partly attributable to the return of pre-pandemic lifestyles including the resumption of face-to face school activities. Providing stationery supplies, including writing instruments, is a mandatory requirement for parents and is normally purchased at the start of the new academic year, contributing to a surge in sales during this period. Many employees also retur...
