## Abstracts

Writing instruments registered mid-single digit growth in current value terms in 2022, with sales edging closer to pre-pandemic levels. This was due to the normalisation of lifestyles, including a return to regular schooling, following the easing of COVID-19 related restrictions. Most pandemic-related measures were dropped at the start of the 2022/2023 academic year, including the mandatory use of protective face masks in classrooms. Sales were also driven by the gradual return to the workplace...
