## Abstracts

This company keeps fighting in categories that had been declining in volume until 2009 and the growth in 2010 and following years has been the result of its competitors launching new products. The company has streamlined its portfolio and widened its distribution network; these measures, however, have not been successful and its overall volume share in cigars keeps declining.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

**Product coverage:** Cigarettes, Cigarettes Including RYO Stick Equivalent, Cigars, Smokeless Tobacco, Smoking Tobacco.
