Abstracts

Yoghurt is expected to register healthy current value and volume growth in 2023, while value sales for sour milk products continue to be negligible. Whereas before yoghurt was perceived as a non-essential premium product, it is increasingly becoming part of the daily diet for Bolivians, especially the middle class. For instance, drinking yoghurt is now often consumed as an alternative to milk at breakfast time. Capitalising on this growing trend, brands such as Pil are increasing their offering...
