Abstracts

Yoghurt and sour milk products registered positive retail volume growth and solid current value growth in 2023 as consumer demand remained stable despite high inflation and pressure on house or incomes. Indeed, current value growth was backed by rising unit prices and rampant inflation in 2023. Yoghurt and sour milk products is heavily influenced by the health and wellness trend, which continues to lead to the premiumisation of the category. Specifically, free from lactose dairy products became...
