Abstracts

Retail volume sales of yoghurt saw fairly modest growth in 2023, continuing the trend of the previous year. Despite manufacturers and retailers continuing to run price promotions, these were not as attractive as in previous years, as they sought to retain their profit margins. Typical reductions offered by retailers Continente and Pingo Doce, for example, were around 30%, as opposed to offers of up to 50% pre-pandemic. With this situation being generalised across packaged food, consumers became...
