Abstracts

Four-S has been actively covering the Private Equity space since 2002. Our earlier reports ('06, '07, '08, '09 and '10) were highly appreciated by the PE & Investment Community and received excellent media coverage. Encouraged with the response we started the sector focused weekly newsletter ("Four-S PE Track"), which has achieved huge scale today with 6000+ circulation to a highly focused audience in the Investment community, both in India and abroad. We are also the official knowledge partner of the Indian Venture Capital Association (IVCA).

Our Private Equity Research offers:

Four-S PE deal database - lists all private equity/venture capital investments in India-based companies since 2006 with detailed transaction information. It also includes PE/VC exits and funds raised by investors since 2006

6 successful annual editions (2011, 2010, 2009, 2008, 2007 and 2006) of "India Private Equity Report"
