Abstracts

Air Handling Units (AHU) are mechanical devices used to circulate, condition, and regulate air in commercial and industrial buildings. They typically consist of a blower or fan that moves air through ducts and across heat exchangers, filters, humidifiers, and other components that control the temperature, humidity, and cleanliness of the air. AHUs are essential for maintaining indoor air quality and comfort, and can also be equipped with energy recovery systems to improve efficiency and reduce operating costs. The global air handling units (AHU) market is projected to rise by USD 6.1 billion by 2029, according to the latest market study results. It is anticipated to expand at a CAGR of 5.96 percent during the forecast period.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global air handling units (AHU) market. It presents a quantitative analysis of the market to enable stakeholders to capitalize on the prevailing market opportunities. The report also identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the type, end user, and region. The global market for air handling units (AHU) can be segmented by type: packaged, modular, custom. The packaged segment captured the largest share of the market in 2022. Air handling units (AHU) market is further segmented by end user: residential, commercial, industrial, others. The commercial segment held the largest share of the global air handling units (AHU) market in 2022 and is anticipated to hold its share during the forecast period. Based on region, the air handling units (AHU) market is segmented into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. In 2022, Asia-Pacific made up the largest share of revenue generated by the air handling units (AHU) market.

Market Segmentation

By type: packaged, modular, custom

By end user: residential, commercial, industrial, others

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The global air handling units (AHU) market report offers detailed information on several market vendors, including Blue Star Limited, Carrier Corporation, Daikin Industries Ltd, Hitachi Ltd., Johnson Controls International plc, Lennox International Inc., Swegon Group AB, Systemair AB, Trane Inc., Trox GmbH, among others. In this report, key players and their strategies are thoroughly analyzed to understand the competitive outlook of the market.

Scope of the Report

To analyze and forecast the market size of the global air handling units (AHU) market.

To classify and forecast the global air handling units (AHU) market based on type, end user, region.

To identify drivers and challenges for the global air handling units (AHU) market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global air handling units (AHU) market.

To identify and analyze the profile of leading players operating in the global air handling units (AHU) market.

Why Choose This Report

Gain a reliable outlook of the global air handling units (AHU) market forecasts from 2023 to 2029 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

Contents

PART 1. INTRODUCTION

Report description
Objectives of the study
Market segment
Years considered for the report
Currency
Key target audience

PART 2. METHODOLOGY

PART 3. EXECUTIVE SUMMARY

PART 4. MARKET OVERVIEW

Introduction
Drivers
Restraints

PART 5. MARKET BREAKDOWN BY TYPE

Packaged
Modular
Custom

PART 6. MARKET BREAKDOWN BY END USER

Residential
Commercial
Industrial
Others

PART 7. MARKET BREAKDOWN BY REGION

North America
Europe
Asia-Pacific

MEA (Middle East and Africa)
Latin America

PART 8. KEY COMPANIES

Blue Star Limited
Carrier Corporation
Daikin Industries Ltd
Hitachi Ltd.
Johnson Controls International plc
Lennox International Inc.
Swegon Group AB
Systemair AB
Trane Inc.
Trox GmbH
