

# Global Aircraft Cockpit Display Market 2022-2028

<https://marketpublishers.com/r/G0F22045FFECEN.html>

Date: August 2022

Pages: 71

Price: US\$ 2,600.00 (Single User License)

ID: G0F22045FFECEN

## Abstracts

The aircraft cockpit display provides the visible (and audible) portion of the human machine interface (HMI) by which aircrew manage the modern glass cockpit and thus interface with the aircraft avionics. According to latest analysis by Gen Consulting Company, the global aircraft cockpit display market was USD 1,878 million in 2021 and is expected to reach USD 2,341 million in 2028 and register a CAGR of 3.2% during the forecast period, 2022-2028.

The report provides in-depth analysis and insights regarding the current global market scenario, latest trends and drivers into global aircraft cockpit display market. It offers an exclusive insight into various details such as market size, key trends, competitive landscape, growth rate and market segments. This study also provides an analysis of the impact of the COVID-19 crisis on the aircraft cockpit display industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the product, size, platform, and region. The global market for aircraft cockpit display can be segmented by product: engine-indicating and crew-alerting system (EICAS), multifunction display (MFD), primary flight display (PFD). The MFD segment captured the largest share of the market in 2021. Aircraft cockpit display market is further segmented by size: less than 5 inches, 5-10 inches, above 10 inches. Based on platform, the aircraft cockpit display market is segmented into: commercial, military. In 2021, the commercial segment made up the largest share of revenue generated by the aircraft cockpit display market. On the basis of region, the aircraft cockpit display market also can be divided into: Asia Pacific, Europe, North America, Rest of the World (RoW).

By product:

engine-indicating and crew-alerting system (EICAS)

multifunction display (MFD)

primary flight display (PFD)

By size:

less than 5 inches

5-10 inches

above 10 inches

By platform:

commercial

military

By region:

Asia Pacific

Europe

North America

Rest of the World (RoW)

The global aircraft cockpit display market report offers detailed information on several market vendors, including Aspen Avionics Inc., Avidyne Corporation, Dynon Avionics, Inc., Elbit Systems Ltd., Esterline Technologies Corporation, Honeywell International Inc., L3Harris Technologies, Inc., Northrop Grumman Corporation, Raytheon Technologies Corporation, Thales Group, among others.

### Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

### Scope of the Report

To analyze and forecast the market size of the global aircraft cockpit display market.

To classify and forecast the global aircraft cockpit display market based on product, size, platform, region.

To identify drivers and challenges for the global aircraft cockpit display market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global aircraft cockpit display market.

To identify and analyze the profile of leading players operating in the global aircraft cockpit display market.

### Why Choose This Report

Gain a reliable outlook of the global aircraft cockpit display market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

## Contents

### **PART 1. INTRODUCTION**

Report description  
Objectives of the study  
Market segment  
Years considered for the report  
Currency  
Key target audience

### **PART 2. METHODOLOGY**

### **PART 3. EXECUTIVE SUMMARY**

### **PART 4. MARKET OVERVIEW**

Introduction  
Drivers  
Restraints  
Impact of COVID-19 pandemic

### **PART 5. MARKET BREAKDOWN BY PRODUCT**

Engine-indicating and crew-alerting system (EICAS)  
Multifunction display (MFD)  
Primary flight display (PFD)

### **PART 6. MARKET BREAKDOWN BY SIZE**

Less than 5 inches  
5-10 inches  
Above 10 inches

### **PART 7. MARKET BREAKDOWN BY PLATFORM**

Commercial  
Military

## **PART 8. MARKET BREAKDOWN BY REGION**

Asia Pacific

Europe

North America

Rest of the World (RoW)

## **PART 9. KEY COMPANIES**

Aspen Avionics Inc.

Avidyne Corporation

Dynon Avionics, Inc.

Elbit Systems Ltd.

Esterline Technologies Corporation

Honeywell International Inc.

L3Harris Technologies, Inc.

Northrop Grumman Corporation

Raytheon Technologies Corporation

Thales Group
