## Abstracts

Aircraft insurance is the most comprehensive of the available insurance options, needing to cover the aircraft in the hangar, on the ground, and in the air, as well as any passengers on board the aircraft. The global aircraft insurance market is expected to increase by USD 3 million, at a compound annual growth rate (CAGR) of 2.9% from 2022 to 2028, according to the latest edition of the Global Aircraft Insurance Market Report.

The report provides in-depth analysis and insights regarding the current global market scenario, latest trends and drivers into global aircraft insurance market. It offers an exclusive insight into various details such as market size, key trends, competitive landscape, growth rate and market segments. This study also provides an analysis of the impact of the COVID-19 crisis on the aircraft insurance industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the product, application, end user, and region. The global market for aircraft insurance can be segmented by product: public liability insurance (PLI), passenger liability insurance, in flight insurance, ground risk hull (non-motion) insurance, combined single limit (CSL), ground risk hull (motion) insurance, hangar and ground service equipment insurance, umbrella insurance. Among these, the PLI segment was accounted for the highest revenue generator in 2021. Aircraft insurance market is further segmented by application: commercial aviation, business & general aviation. The commercial aviation segment is estimated to account for the largest share of the global aircraft insurance market. Based on end user, the aircraft insurance market is segmented into: air taxi operators, aircraft product manufacturers, airlines, airports, corporate aircraft operators and owners, ground operators, individual general aviation aircraft operators, leasing companies, maintenance repair & overhaul (MRO) companies. On the basis of region, the aircraft insurance market also can be divided into: Asia Pacific, Europe, North America, Rest of the World (RoW).
