Abstracts

According to Gen Consulting Company, the global algae protein market is set to achieve an incremental growth of USD 346.0 million, accelerating at a CAGR of almost 6.1% during the forecast period 2022-2028.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global algae protein market. It traces the market's historic and forecast market growth. The report identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches. This study also provides an analysis of the impact of the COVID-19 crisis on the algae protein industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the product, source, application, and region. The global market for algae protein can be segmented by product: spirulina, chlorella. Among these, the spirulina segment was accounted for the highest revenue generator in 2021. Algae protein market is further segmented by source: fresh water algae, marine water algae. The fresh water algae segment is estimated to account for the largest share of the global algae protein market. Based on application, the algae protein market is segmented into: dietary supplement, food product, animal feed, others. The dietary supplement segment held the largest share of the global algae protein market in 2021 and is anticipated to hold its share during the forecast period. On the basis of region, the algae protein market also can be divided into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. In 2021, North America made up the largest share of revenue generated by the algae protein market.

Market Segmentation

By product: spirulina, chlorella

By source: fresh water algae, marine water algae

By application: dietary supplement, food product, animal feed, others

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The market research report covers the analysis of key stake holders of the global algae protein market. Some of the leading players profiled in the report include Corbion N.V., Cyanotech Corporation, Earthrise Nutritional, East India Distilleries Parry Limited, Far East Bio-Tec Co., Ltd., among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

Scope of the Report

To analyze and forecast the market size of the global algae protein market.

To classify and forecast the global algae protein market based on product, source, application, region.

To identify drivers and challenges for the global algae protein market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global algae protein market.

To identify and analyze the profile of leading players operating in the global algae protein market.

Why Choose This Report

Gain a reliable outlook of the global algae protein market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

Contents

PART 1. INTRODUCTION

Report description
Objectives of the study
Market segment
Years considered for the report
Currency
Key target audience

PART 2. METHODOLOGY

PART 3. EXECUTIVE SUMMARY

PART 4. MARKET OVERVIEW

Introduction
Drivers
Restraints
Impact of COVID-19 pandemic

PART 5. MARKET BREAKDOWN BY PRODUCT

Spirulina
Chlorella

PART 6. MARKET BREAKDOWN BY SOURCE

Fresh water algae
Marine water algae

PART 7. MARKET BREAKDOWN BY APPLICATION

Dietary supplement
Food product
Animal feed
Others

PART 8. MARKET BREAKDOWN BY REGION

North America

Europe

Asia-Pacific

MEA (Middle East and Africa)

Latin America

PART 9. KEY COMPANIES

Corbion N.V.,

Cyanotech Corporation

Earthrise Nutritional

East India Distilleries Parry Limited

Far East Bio-Tec Co., Ltd.
