Abstracts

The global aortic valve replacement market is likely to register a CAGR of over 11.8% with an incremental growth of USD 9.2 billion during the forecast period 2022-2028.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global aortic valve replacement market. It traces the market's historic and forecast market growth. The report identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches. This study also provides an analysis of the impact of the COVID-19 crisis on the aortic valve replacement industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the surgery type, product type, end user, and region. The global market for aortic valve replacement can be segmented by surgery type: open surgery, minimally invasive surgery. In 2021, the minimally invasive surgery segment made up the largest share of revenue generated by the aortic valve replacement market. Aortic valve replacement market is further segmented by product type: transcatheter aortic valve, sutureless aortic valve, others. The transcatheter aortic valve segment was the largest contributor to the global aortic valve replacement market in 2021. Based on end user, the aortic valve replacement market is segmented into: hospital, ambulatory surgery center, others. The hospital segment is estimated to account for the largest share of the global aortic valve replacement market. On the basis of region, the aortic valve replacement market also can be divided into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. North America held the largest share of the global aortic valve replacement market in 2021 and is anticipated to hold its share during the forecast period.

Market Segmentation

By surgery type: open surgery, minimally invasive surgery

By product type: transcatheter aortic valve, sutureless aortic valve, others

By end user: hospital, ambulatory surgery center, others

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The report also provides analysis of the key companies of the industry and their detailed company profiles including Boston Scientific Corporation, Edwards Lifesciences Corporation, Medtronic plc, Sorin Group, St. Jude Medical, Inc., among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

Scope of the Report

To analyze and forecast the market size of the global aortic valve replacement market.

To classify and forecast the global aortic valve replacement market based on surgery type, product type, end user, region.

To identify drivers and challenges for the global aortic valve replacement market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global aortic valve replacement market.

To identify and analyze the profile of leading players operating in the global aortic valve replacement market.

Why Choose This Report

Gain a reliable outlook of the global aortic valve replacement market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

Contents

PART 1. INTRODUCTION

Report description
Objectives of the study
Market segment
Years considered for the report
Currency
Key target audience

PART 2. METHODOLOGY

PART 3. EXECUTIVE SUMMARY

PART 4. MARKET OVERVIEW

Introduction
Drivers
Restraints
Impact of COVID-19 pandemic

PART 5. MARKET BREAKDOWN BY SURGERY TYPE

Open surgery
Minimally invasive surgery

PART 6. MARKET BREAKDOWN BY PRODUCT TYPE

Transcatheter aortic valve
Sutureless aortic valve
Others

PART 7. MARKET BREAKDOWN BY END USER

Hospital
Ambulatory surgery center
Others

PART 8. MARKET BREAKDOWN BY REGION

North America

Europe

Asia-Pacific

MEA (Middle East and Africa)

Latin America

PART 9. KEY COMPANIES

Boston Scientific Corporation

Edwards Lifesciences Corporation

Medtronic plc

Sorin Group

St. Jude Medical, Inc.
