Abstracts

The global blood transfusion diagnostics market is projected to rise by USD 1.9 billion by 2028, according to a new report by Gen Consulting Company. It is anticipated to expand at a CAGR of 6.7 percent during the forecast period.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global blood transfusion diagnostics market. It traces the market's historic and forecast market growth. The report identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches. This study also provides an analysis of the impact of the COVID-19 crisis on the blood transfusion diagnostics industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the product, application, end user, and region. The global market for blood transfusion diagnostics can be segmented by product: reagent and kit, instrument, others. Among these, the reagent and kit segment was accounted for the highest revenue generator in 2021. Blood transfusion diagnostics market is further segmented by application: blood grouping, disease screening, others. The disease screening segment is estimated to account for the largest share of the global blood transfusion diagnostics market. Based on end user, the blood transfusion diagnostics market is segmented into: hospital, blood bank, diagnostic laboratory, others. The blood bank segment held the largest share of the global blood transfusion diagnostics market in 2021 and is anticipated to hold its share during the forecast period. On the basis of region, the blood transfusion diagnostics market also can be divided into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. In 2021, North America made up the largest share of revenue generated by the blood transfusion diagnostics market.

Market Segmentation

By product: reagent and kit, instrument, others

By application: blood grouping, disease screening, others

By end user: hospital, blood bank, diagnostic laboratory, others

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The report has also analysed the competitive landscape of the global blood transfusion diagnostics market with some of the key players being Abbott Laboratories, BAG Health Care GmbH, Beckman Coulter, Inc., Bio-Rad Laboratories, Inc., DiaSorin S.p.A., Hoffmann-La Roche Ltd., Ortho Clinical Diagnostics, Inc., Quotient Limited, Werfen, S.A., among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

Scope of the Report

To analyze and forecast the market size of the global blood transfusion diagnostics market.

To classify and forecast the global blood transfusion diagnostics market based on product, application, end user, region.

To identify drivers and challenges for the global blood transfusion diagnostics market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global blood transfusion diagnostics market.

To identify and analyze the profile of leading players operating in the global blood transfusion diagnostics market.

Why Choose This Report

Gain a reliable outlook of the global blood transfusion diagnostics market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

Contents

PART 1. INTRODUCTION

Report description
Objectives of the study
Market segment
Years considered for the report
Currency
Key target audience

PART 2. METHODOLOGY

PART 3. EXECUTIVE SUMMARY

PART 4. MARKET OVERVIEW

Introduction
Drivers
Restraints
Impact of COVID-19 pandemic

PART 5. MARKET BREAKDOWN BY PRODUCT

Reagent and kit Instrument Others

PART 6. MARKET BREAKDOWN BY APPLICATION

Blood grouping
Disease screening
Others

PART 7. MARKET BREAKDOWN BY END USER

Hospital
Blood bank
Diagnostic laboratory

Others

PART 8. MARKET BREAKDOWN BY REGION

North America
Europe
Asia-Pacific
MEA (Middle East and Africa)
Latin America

PART 9. KEY COMPANIES

Abbott Laboratories

BAG Health Care GmbH

Beckman Coulter, Inc.

Bio-Rad Laboratories, Inc.

DiaSorin S.p.A.

Hoffmann-La Roche Ltd.

Ortho Clinical Diagnostics, Inc.

Quotient Limited

Werfen, S.A.
