Abstracts

Dental health is an important part of people's overall health. Normally the body's natural defenses and good oral health care, such as daily brushing and flossing, keep bacteria under control. However, without proper oral hygiene, bacteria can reach levels that might lead to oral infections, such as tooth decay and gum disease. The global dental consumables and prosthetics market size is projected to grow by USD 10 billion from 2022 to 2028, registering a CAGR of 5.5 percent, according to a new report by Gen Consulting Company.

This industry report offers market estimates of the global market, followed by a detailed analysis of the product, and region. The global market data on dental consumables and prosthetics can be segmented by product: general dental supplies, preventive materials and supplies, restorative and cosmetic products, treatment supplies. Among these, the general dental supplies segment was accounted for the highest revenue generator in 2021. Dental consumables and prosthetics market is further segmented by region: Asia Pacific, Europe, North America, MEA (Middle East and Africa), Latin America. North America is estimated to account for the largest share of the global dental consumables and prosthetics market.

The restorative and cosmetic products market is further segmented into bleaching products, dental prosthetics, impression materials, liners, bases, and cements, regeneration materials. The liners, bases, and cements segment captured the largest share of the market in 2021 and is expected to maintain its dominance during the forecast period.

The dental consumables and prosthetics market is dominated by key players, which are Align Technology Inc., Dentsply Sirona Inc., Henry Schein Inc., Institut Straumann AG,

Patterson Companies Inc., The 3M Company.

The data-centric report focuses on market trends, status and outlook for segments. With comprehensive market assessment across the major geographies, the report is a valuable asset for the existing players, new entrants and the future investors.
